

Hope for the Churches

And (if).. my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

-II CHRONICLES 7:14

There is good news for the church today. It is the instrument by and through which Jesus Christ has chosen to reveal Himself and redeem His people.

In Matthew 16 Jesus and his disciples were gathered at Caesarea Philippi. Historically, it had been a city with many religions but no Jews at this time. Here Jesus asked the disciples the question, "Who do people say that I am?" Peter answered with "You are the Christ, the Son of the Living God."

Jesus affirms Peter for his great insight and declares "...and on this rock I will build my church, and the gates of Hades will not overcome it."

The church was compromised when it became endorsed by the state. It has been weakened by various traditions and unsound doctrines. Today is often labeled as not irrelevant. Yet throughout history the church has not been overcome by the gates of hell because it was built on the Rock.

In areas of Africa, Asia and Latin America many churches are experiencing amazing growth. Perhaps the center of Christianity is no longer in the western world.

The church in North America and Western Europe is undoubtedly in decline. We are apathetic and selfish. We have left our first Love.

But there is hope. There is good news. IF my people... .. we must turn to Him, humble ourselves, seek Him and repent. Then He will listen, forgive and heal us.

In this prayer room you will find scriptures and suggestions about praying for an awakening in our churches and Christian ministries.

Please join together in pleading for an awakening within God's people.
